

CENTRAL STEERING COMMITTEE

In order to directly monitor and track projects there is a Central Steering Committee at the Centre for Distance Education, Anna University, Chennai. The functions of this committee include:

- Coordinating and tracking all project related activities.
- Approving the supervisor after ensuring that the supervisor has the requisite qualifications and experience.
- Going through the project proposal and giving suggestions for improvement of project work.
- Approving the project and conveying the same to the students and the study centre through the web.
- Going through the evaluation reports sent by the Study Centre after each review meeting and giving suggestions, if necessary.
- Receiving consolidated evaluation reports from the project monitoring committee of the Study Centres after each project review meeting and coordinating with project in-charge, project monitoring committee and guides through E-mail.
- Approving the final list of students allowed to submit Projects at the end of the semester.
- Suggesting appropriate experts for the Viva-Voce panel to be sent to the office of the Controller of Examinations, Anna University, Chennai.
